The Magician

White Wine

2016

Stelvin closure - 750ml - 12 bottles per case

“There are things still waiting to be discovered.”

12.7 alcohol - 0.65 total acidity - 3.5 ph - California - un-oaked

RDLR The Magician white wine is a light gold chardonnay. It is apple and pear-like, expressing rare minerality for a wine in this price point. A touch of acid keeps it tasting fresh and crisp. These are characteristics that cannot be achieved in a chardonnay that is heavily oaked and buttery. The wine has undergone a full malo-lactic fermentation to increase mouthfeel and richness.

We have brought back case art. Be sure to appreciate the original painting on the case. It makes beautiful stacks.
