

Beronia
RUEDA

TWO HARVESTS, ONE COMPLEX VERDEJO

- Beronia Rueda is the expression of Verdejo, one of the best and most expressive white varieties from Spain
- Produced following a unique two stage harvest and vinification to maintain the typical aromatic Verdejo nose, however with a full palate
- A new high technology winery has been built in the heart of Rueda where the most innovative techniques can be used to create complex wines, such as working with the lees
