

Veramonte

SAUVIGNON BLANC 2019

RESERVA

MADE WITH ORGANIC GRAPES

TOP 100 BEST BUYS WINEENTHUSIAST AUGUST 2020

For more than 25 years Veramonte has been recognized in Chile and worldwide for the consistent quality of its wines. With 324 hectares of organic vineyards in Casablanca and 218 hectares in Colchagua, Veramonte produces distinctive wines that are expressions of their origins.

- Beautiful new packaging for the Veramonte range inspired by the cover crops in our organic vineyards
- Organic certified; our practices include composting in the vineyards, cover cropping, preserving biodiversity, and utilizing sheep to help maintain the grass and soil
- Now designated Reserva to reflect our 100% estate grown fruit
- Veramonte Organic Sauvignon Blanc is trending at +41% in dollar value last 13 weeks, outperforming the total wine category at +32%*
- Follow our new US social media accounts on Instagram and Facebook for more information
