Pedro Domecq

CHATEAU DOMEcq RED 2017

VINEYARDS

The grapes for this magnificent wine are 100% sourced from the Valle de Guadalupe, carefully selected bunch by bunch and harvested by hand in order to ensure the maximum quality. The level of maturity is constantly monitored and each variety is harvested at optimum maturity. The Merlot was harvested first, followed by Nebbiolo three weeks later and finally the Cabernet Sauvignon near the end of October.

WINEMAKING

The grapes are destemmed upon arrival to the winery and pre-fermentative maceration takes place to facilitate the extraction of compounds that will give this wine longevity. Following fermentation the wine is aged in French oak for 12 months. After 12 months only the best barrels which show the highest aromatic complexity are chosen for the final blend.

TASTING NOTE

The wine is deep violet in color with an ocher orange rim. On the nose it is intense, complex and spicy with notes of red berries, tobacco and ripe plum. On the palate it shows a good attack followed by a slow evolution culminating in a long and velvety finish.

Grape Variety:

81% Cabernet Sauvignon, 11%
Merlot, 8% Nebbiolo

Origin:

Valle de Guadalupe

Age of vineyards:

20 - 40 years old

Ageing:

12 months in French oak

Alcohol:

14.7 %
