

THE BEST INDIGENOUS GRAPES OF SICILY, NATURALLY FARMED

- Indigenous grape varieties are carefully farmed at higher elevations to produce the best expression of the fruit
- The winemaking team directs the farming of the best vineyard rows including reducing the yield per vine, to ensure the highest quality grapes
- Labels feature the snail (Lumà) which lives in the vineyards, representing the natural farming which takes place

LUMÀ GRILLO
LUMÀ NERO D'AVOLA
