

## CREATORS OF THE 'BERONIA BARREL'

- Beronia was established by a group of friends in 1973 as a gastronomic society, commonly known as Txoko in the region
- All Beronia grapes are sourced from Rioja Alta which is the best area in the Rioja region for winemaking due to the higher altitudes, allowing for color, acidity and lower alcohol
- Winemaker Matias Calleja was a pioneer in the use of mixed casks; American oak staves and French tops, creating the 'Beronia style'
